

A FAREWELL LUNCHEON was held at the Fire Hall last week for one of its favorite sons, Captain Floyd L. Remine, who will be at home at 2516 Upland Ave., Knoxville. Remine leaves Y-12 with more than 16 years of Company service. Seated from left are Remine, Chief W. O. Elam, George W. Flack, Superintendent of Industrial Relations, and Kenneth R. Merrill, Superintendent of Plant Protection. Standing from left, are C. A. Cook, L. H. Perry, Ernie F. Greer, E. J. Kendrick, E. E. Gregory, H. W. Krouse, W. T. Galyon, Dave Turner, T. E. Ford, Finley Creigh, R. E. Reynolds, P. C. Dabbs, E. L. Moore, Joe Smyrl, and C. S. Waldrop.

J. E. Campbell Named Ridge Cross Chairman

Other Y-12ers Elected To Voluntary Posts

James E. Campbell, supervisor of Personnel Services, has been re-elected chairman of the Oak Ridge Chapter of the American Red Cross. This is the third year he has been elected to this post. Other Y-12ers serving as officers on the executive committee are R. T. Cantrell, Recreation, 2nd vice - chairman; and Earl Goode, Cashier and Travel, treasurer. Loren Lawhorn, Wage Standards, was elected to a three-year term on the Executive Committee.

J. Campbell

Buford Rhea, of the Atomic Energy Commission, was also named 1st vice-chairman, and Mrs. Jerry Klobe was re-elected secretary. Many other Y-12ers serve in various capacities as volunteer workers with the Red Cross chapter.

3500 Students Take AEC Tours Last Year

More than 3,500 persons from 14 states participated in student educational tours of United States Atomic Energy Commission facilities in Oak Ridge during the past school year.

Nearly 1,800 have visited the American Museum of Atomic Energy and toured Oak Ridge National Laboratory under the program since it started in January, 1957. The program will continue this summer and is open to organized groups with appropriate sponsors through prior arrangements. The day-long tour is designed to increase the interest of high school and college students in science. AEC, Oak Ridge Institute of Nuclear Studies, and the Oak Ridge National Laboratory are joint sponsors of the program.

QUITE A TRAVELER

The Western solitary sandpiper spends his summers in Alaska, and winters in Argentina, 8,000 miles away.

CAPTAIN REMINE RECEIVES a matched luggage set as a farewell present from Fire Department co-workers, as Chief W. O. Elam presided over the festivities. The home-cooked meal, enjoyed by the entire gang, was prepared on the grounds by E. E. Gregory, an ex-Navy cook. Monday nights still find Gregory on reserve training, cooking away.

Loss Of Employee's Thumb Ends Y-12's Safety Period

The latest string of accident-free days in Y-12 ended last Friday, June 30, when a maintenance man in Research Services lost the first index of his thumb. He was operating a drill press when a piece of metal got caught, causing his thumb to become engaged in the drill.

This 27th period of safe days began April 18, and includes approximately 73 days, or 2,532,000 man-hours worked without a disabling injury. The injured employee was hospitalized, but expected to stay only a few days.

D Shift To Picnic Tomorrow At Lake

D Shifters didn't picnic en masse on the Fourth of July, but will turn out tomorrow at Cove Lake. The July 6th affair has been in the planning stage for weeks now, and weather permitting the gang will all be there. Eating, on a "share the basket" plan, is scheduled for noon.

All Y-12ers and their families are invited by the D Shift folk to attend the picnic, planned for adults and children alike.

Solid State's Young Leads Physics Seminar

The Physics Division Seminar this week will feature the topic, "Dislocation Motion in Copper," with Fred Young, from Oak Ridge National Laboratory's Solid State Division leading the discussion.

The seminar, held in ORNL's Central Auditorium, of the 4500 building, Friday, July 7, at 3:15 p.m., is open to interested technical personnel.

Linguist Strikes Back With 'Engineeringlese'

Hill-Billy Provides Glossary To Retaliate

Someone in Y-12's Engineering Division recently provided The Bulletin with a dictionary of Tennessee-type language to acquaint newcomers with the colorful talk of the hill-billy.

A hill-billy has, in turn, submitted an engineering vocabulary, so that most people will know what engineers are talking about when they use the following expressions:

It is in process — So wrapped up in red tape that the situation is almost hopeless.

We will look into it — By the time the wheel makes a full turn we assume you will have forgotten it, too.

A program — Any assignment that can't be completed by one telephone call.

Expedite — To confound confusion with commotion.

Channels — The trail left by interoffice memos.

Coordinator — The guy who has a desk between two expeditors.

Has a work order been written? — This is really a stall, but you aren't supposed to know it.

In the field — A term used for "goofing off," or as GI's say, "gold-bricking."

Daily Report — An accounting today for yesterday's mistakes.

Dunaway Promoted To Craft Foreman

Okey H. Dunaway, inspector in Production Inspection of the Technical Division, has been promoted to a craft foreman, effective July 1.

The new foreman, a veteran of the United States Navy during World War II, is a native of Knox County, where he presently resides at Route 18, Knoxville, in the Byington Community.

\$1,660,151 To Oak Ridge From U.S. AEC This Year

The United States Atomic Energy Commission has made assistance payments totaling some \$1,660,151 to the City of Oak Ridge so far this year.

The payment for June amounted to \$373,851.

Under Federal law, the AEC is required to provide financial assistance to the City, as needed, during the first 10 years of Oak Ridge municipal operation.

New Carbon Can Be Used Successfully Sixty Times

Self-restoring carbon paper marks the latest innovation for business firms. The paper utilizes a system of interlocking cells containing liquid ink. The ink remaining in the sheet after each use migrates uniformly throughout the entire sheet filling the impressions left by typewriter keys. The manufacturer reports that the sheet, which leaves a permanent smudge-proof image, can be used successfully about 60 times.

\$5,309,462 Goes To 4,626 Y-12ers In Savings Plan

\$14,116,927 Is Total UCNC Distribution

It was Christmas last week for 4,626 Y-12ers, right in the dead of summer! The biennial settlement checks in the General Savings Fund were distributed by mail, posted to Y-12 homes on the 29th of June, arriving at most residences Friday, June 30. Some \$5,309,462 was distributed to 4,626 Carbiders enrolled in the General Savings Fund in Y-12.

This was 364 more employees than received checks in 1959, and \$479,734 more than was distributed two years ago.

Some employees picked up their own checks at the portals in the early morning, and during the afternoon issue-hours, but the majority of checks were posted in the mails. This gives participants in the General Savings Fund plan a chance every two years to put extra money into homes, take that special vacation trip long planned for, buy a motor boat, boost Junior's college fund, provide new home furnishings, or buy a new car, or just luxuriate for a day or two with extra cash on hand.

A cash distribution of \$14,116,927 was made throughout the entire Union Carbide Nuclear Company system, among 11,478 employees. This includes the \$3,616,965 contributed as Carbide's contribution to the employee savings plan, and interest. A total of \$10,499,962 was saved by employees alone in UCNC plants over the past two years.

Under this plan, employees set aside up to seven and one-half per cent of their earnings (or a maximum of \$83 per month) and the company adds 10, 20, or 30 per cent to this, depending on whether the employee has one, two, or three or more years of Company service.

The over-all UCNC figures are well over the two-year ago distribution. In 1959, among UCNC employees in Oak Ridge, \$13,184,456 was distributed among 11,695 employees.

The Savings Fund plan contains provisions for short-term savings and long-range investments or a combination of both. This flexibility, which is one of the outstanding features of the plan, permits employees to set aside cash for a distribution every two years and also provides the choice of long-range investment in either United Savings Bonds or Union Carbide stock. The savings plan was made available to Carbiders as early as 1935.

This year Carbide distributed \$65,750,186 among its entire system to employees throughout the various UCC companies.

Employees have until July 15 to alter their method of participation in the savings plan. They may stay in the general savings fund plan, or with three or more years Company service, may become enrolled in the Personal Savings plan, receiving U. S. bonds or stock in Carbide, or a 50-50 combination of both. Y-12ers wishing to change their participation may do so at the Paymaster's Office, Building 9711-5. Any change made before July 15, of course, will become effective as of July 1 of this year.

Busy Oak Ridge Grad Is Y-12er's Daughter

N. L. Ensor, Property,
Proud Of Her Activities

Faye Ensor

A very busy graduate of Oak Ridge High School this year was Faye Ensor, daughter of Mr. and Mrs. N. L. Ensor, 138 Marietta Circle, Oak Ridge. Her father is in the Y-12 Property Department.

During her ninth year of school, she was president of the Y-Teens, member of the Inter-Club Council and vice-president of her home room. In her tenth year, she was Miss Y-Teen, president of the Y-Teens, member of the Inter-Club Council, Latin Club and vice-president of her home room. Her junior year saw just as many activities, as she was president of the Inter-Club Council, secretary of the Y-Teens, member of the Pep Squad, Latin Club, Chemeteers and class secretary. In her senior year, she was vice president of her home room, a member of the Pep Square and Y-Teens.

The busy young graduate hopes to enter the University of Tennessee this fall, either in Knoxville in nursing, or in the pre-dental school in Memphis.

Get well wishes are rushed the following Y-12 employees who were patients last week in the Oak Ridge Hospital:

Harry J. Hahn, Buildings and Grounds; W. M. Eads, Chemical; Frank Darby, Electrical; K. W. Mercener, Janitors; J. F. Ray, General Machine Shop; and Edward J. Coffman, Special Mechanical Production.

FAMOUS KISS

The advertising art called The Kreutzer Sonata is believed to be the world's best known painting. The picture of the violinist kissing his pupil, which advertises perfume, has been seen by some 400,000,000... more people than ever saw the Mona Lisa!

Peace is the luxury you enjoy between the children's bedtime and your own.

This one is as old as... well, it's almost anyway. It seems two goats were on a trash heap. One was eating a can of motion picture film. "Is that stuff any good?", asked the first goat.

"Not nearly as good as the book," replied the second goat. Around Y-12, it's still vacations—first in

MAINTENANCE

Process Maintenance maintains that W. H. Sherrod took off for some lolligagging around Florida... the whole loop, Daytona, St. Pete, etc. to go after some of the monsters of the deep.

From Area Five Maintenance, it's J. H. Guess resting at home in Clinton... W. C. Williams visiting relatives in Houston, Texas... T. C. Land doing chores around home since his wife is ill; best wishes to her... L. A. Jeffrey joined the working group again after a long illness and was indeed a welcome sight... "Randy" Hudson is sunning and deep sea fishing for two weeks somewhere between Daytona and Miami, Fla... R. O. Davis is honeymooning in Niagara Falls, N. Y. The boys in the group presented him with an electric mixer and toaster before the happy event... Joe Thomas took off, family and all, to Florida-way... A. R. Palmer is attending a Centennial at Hayesville, N. C... Stewart Hatcher is relaxing at home, Route 2, Powell... B. E. Reneau will spend the next two weeks getting acquainted with his newly-acquired son-in-law... W. E. Phillips is visiting around in Indiana... J. S. Morgan is taking his full three weeks to sum up things in Georgia... J. H. McCulley is visiting friends and relatives in Ohio... L. P. Parrett just took off for Florida also... J. E. Ament is vacationing, seeing relatives around Cookeville.

Al Sawyer, Electrical, took off to Myrtle Beach for his vacation... other electrical folks traveling are R. W. Coker, to Washington, D. C., for a fun vacation... T. E. Rogers off for three weeks to Ponderosa, Wyo... E. C. Gross is off on Norris Lake... W. F. Smith will stay around home, repairing the little woman's washer... H. V. Craft will be visiting relatives this week in North Carolina... H. F. Jenkins is visiting and fishing with his son who is home on leave from the Air Force... R. E. McGill is visiting his son in Chicago, Ill... S. D. White is fishing and visiting relatives, enjoying the company of his daughter in home from Michigan... C. F. Pirkle is off to the Sunshine State of Florida... H. A. Garrett is motoring to Canada and will visit his son and daughter in Ohio... T. W. Stinnett is going to Ohio also to visit his daughter... W. L. Johnson is vacationing on Watts Bar Lake... H. J. Joner is staying at home and hoping to get some rest... U. G. Riddle is also touring Florida... INDUSTRIAL RELATIONS

The Guard Department is welcoming back J. F. Marcum after an illness... Get well wishes are sent to G. H. Harvey, ill in Rockwood Hospital... J. C. Booher is extended sympathy in his brother-in-law's death in Norfolk, Va... Capt. A. Tiller and Lt. J. C. Hasting slipped off without telling anyone where they were going... and the prettiest girl in the Guard Department, Liz Campbell took off this week for parts unknown, leaving reporting duties to the able Capt. Shoemaker.

The Cafeteria has Vena Mae Summitt vacationing for a couple of weeks at home in Lenoir City enjoying particularly her sister's visit from North Carolina.

Kent Kendrick

Mont Kendrick, of Badge and Pass, was laughing over this recent snapshot of his small son Kent. Kent, it seems got into his mother's powders, and had a big time spilling them all over the floor. He is only one year old. Nancy, Mont's wife, missed the entire humor of the situation.

From Benefit Plans, it's whispered that Art Hines slipped off to vacation in the hills of old Kaintuck.

If evolution really works, nature will eventually produce a pedestrian that can jump three different directions at the same time.

FINANCE AND MATERIALS

Plant Records folks enjoyed a recent picnic at Concord Park... also Emma Puckett spent a recent week-end in Shelbyville, Ky.

Reading over the Mail Room's shoulder we find that Effie Lou Cagley is vacationing two full weeks in New Jersey visiting her sister, then plans to go on to the big city... New York, of course... Lula Justice is vacationing just taking things easy around Oliver Springs.

Engineering Records has Finley West vacationing around home at Knoxville, with a short hop up to Ohio planned.

Engineering Services says Clyde Clower is vacationing in Alabama.

Ed Pluhar, F&M Administration, took spouse in hand and left

Mrs. Raymond Claude Rimmer

Mrs. Raymond Orville Davis

for Florida-way. Cashier and Travel has Earl Goode recently enjoying a stay-at-home vacation in Oak Ridge.

Pity the poor minister who bought a second-hand car; then didn't have the vocabulary to run it.

TECHNICAL

The Special Projects Group down in Beta Four says Chuck Maberry (no "Y" in the middle, please), who was welcomed in a week or so ago, in turn welcomed himself a new son, June 26, seven pounds, 14 ounces... named Ralph Charles... and naturally the pride of mom, dad, and baby sitters... Sam Rea is taking a vacation, not to relax, but to work on his Oak Ridge home... Stan Hull had both his small daughters in the hospital recently at the same time... they underwent simultaneous tonsillectomies (and if that isn't a mouthful, what is!)... Margaret Williams packed her sun visor and headed for Dayton, Ohio... If anyone is having difficulty finding SP's these days, just keep looking. They're all shuffled around and moved, but still stacked on the same deck... Tom Keane, a picture of relaxation and smiles, naturally, after a week's vacation in Sarasota, Fla.

Tabulating Services has Shirley Mackay and Tom (of ORNL) vacationing in the far mid-west, visiting folks in Minnesota.

Mechanical Inspection comes up with H. C. LeTellier vacationing around home, taking it easy in Oak Ridge... Tom Troutman and family plan to work on the house they are remodeling over North Carolina-way during his vacation.

Why is it that the fellow who has an hour to kill always spends it with someone who doesn't?

CHEMICAL OPERATIONS

From Chemical we hear that J. C. Nelson is taking off next week for two full weeks to St. Petersburg, Fla... Milo Ward and family are going to Daytona Beach... Jo Ann Isham is going to stay at home next week, entertaining a couple of nieces from Birmingham, Ala., plans to show them the Smokies and the Indians over at Cherokee... A. C. Lee spent last week just taking it easy... fishing and picnicking.

Uranium Recovery has Lennie Messamore basking in the sun at Jacksonville Beach, Fla... Sammie West vacationing in

RIMMER—LAMBERT

Miss Mary Lurlyne Lambert was married Saturday afternoon at 2 p.m. to Mr. Raymond Claude Rimmer, in ceremonies at the Bearden Methodist Church, Knoxville. Rev. Robert F. Parsons, pastor of St. John's Methodist Church of Maryville, performed the ceremony.

The bride is the daughter of Mr. and Mrs. Frank Joseph Lambert, Jr., 8306 Corteland Drive, Knoxville, and the groom is the son of Mrs. Claude E. Rimmer and the late Mr. Rimmer, Route 15, Amherst Rd., Knoxville. The bride's father is in Y-12's Metallurgical Development Dept.

The bride, given in marriage by her father, wore a Pandora princess styled dress of taffeta fashioned with three-quarter length sleeves and sweetheart neckline. The bodice of the street length dress was finished with rose appliques. Her veil of illusion fell from a Juliet cap and she carried a bouquet of stephanotis and baby's breath, centered with an orchid.

Mrs. Betty Henderson, vocalist, provided the traditional wedding music. She is a cousin of the groom.

Maid of honor, Miss Mildred Buckner, wore an aqua sheath of silk chiffon over taffeta and a matching bird cage headpiece. Her bouquet was pink carnations and baby's breath.

Brother of the groom, Mr. James W. Rimmer, was best man, and ushers were Robert Cox and Jock Bailey, both of Knoxville.

Mr. and Mrs. Wesley E. Rand, Perry, Fla., grandparents of the bride; Mrs. Frank J. Lambert, Saratoga Springs, N. Y., grandmother of the bride; Mrs. R. R. Roberts, aunt of the bride, and Miss Patti Roberts, cousin of the bride, both of Schenectady, N. Y., were some of the out-of-town guests.

A reception honoring the couple was held at the church.

The bride is attending the University of Tennessee and the groom is associated with Rimmer Brothers Trucking Co.

After a honeymoon in New Orleans, the couple is at home at 3503 Avondale Ave., Knoxville.

DAVIS—BROWN

The Riggs Chapel Baptist Church, Harriman, was the scene of the wedding of Miss Wilma Jean Brown to Mr. Raymond Orville Davis. The marriage took place last Friday, at 8 p.m., June 30.

The bride is the daughter of Mr. and Mrs. Charles E. Brown, Harriman. She is a graduate of Harriman High School, and is presently employed at the Harriman Hosiery Company.

The groom, the son of Mrs. Roxie Davis, of Lenoir City, and the late Mr. James William Davis, is a graduate from Roane County High School, Kingston. He is presently employed in the Y-12 Area Five Maintenance Department.

Clinton, entertaining her daughter and family in from Omaha, Neb... The entire section is happy to report that Dean Reed's wife is much improved after undergoing surgery at Mayo's Clinic.

Six Make-Up Games Played In Slow Pitch League As Monsoons Let Up

Peons' Star Rises As They Gain Two Games In League Competition; Atoms Win 3, Lose 2

With the monsoon season slightly abated, the Carbide Slo Pitch League for softballers got underway again last week, playing the regular schedule, plus six make-up games. More make-ups are in the offing, but must be arranged later this week.

Last Monday of last week the Y-12 Tabs plastered ORGDP's D Shift, as Jim Gillcrist homered three times, twice in the same inning! Loveless got two homers, as did Williams.

Three make-ups were played at Jefferson Field that night as the ORGDP Codgers took a double-header, one from the hapless D Shifters, 28-5; one from Y-12's Atoms, 28 to 3. Compton homered with Hall and Whittelsey in the D Shift game, and Whittelsey had three homers in the Atoms game.

The mighty ORGDP team, Kentucky Wonders, took on the Y-12 Blue Demons Monday night to the tune of 14 to 1.

Regular schedule resumed on Tuesday as league-leading Kentucky Wonders soared over the Y-12 Buzzards, 30 to 3. The only multiple-base hit by the losers was a double by Edwards. The winners saw George Harris homer, along with Glenn Harris, Woodfin, Block, and Bolinsky with two.

Two ORGDP teams clashed as the Odds 'N Ends trampled the Fly Swatters, 13 to 5. Leiti homered for the winners.

The Y-12 Blue Demons fell for their loss to ORGDP Codgers, 7 to 1 in other action. Jim Grubb hit the only home-run of the game for the losers.

Over at Jefferson, the D Shifters, from ORGDP, split a double-header, one won from the Y-12 9215ers, 26 to 12, one lost to the Y-12 Development team, 11 to 4. Morrow homered in the 9215er game. Ely tripled and homered for the losers. In the Development game, Pridgeon got a four-bagger for the losers.

In other make-ups, Y-12's two teams, which are proving to be the pride and joy, the Atoms and Peons met in a mighty clash... the Peons edging by 11 to 9. Daws and Bowman came through with homers for the losers, Wright for the winners. Brown and Bailey tripled for the victors also.

Over at Jefferson, the D Shifters, from ORGDP, split a double-header, one won from the Y-12 9215ers, 26 to 12, one lost to the Y-12 Development team, 11 to 4. Morrow homered in the 9215er game. Ely tripled and homered for the losers. In the Development game, Pridgeon got a four-bagger for the losers.

In other make-ups, Y-12's two teams, which are proving to be the pride and joy, the Atoms and Peons met in a mighty clash... the Peons edging by 11 to 9. Daws and Bowman came through with homers for the losers, Wright for the winners. Brown and Bailey tripled for the victors also.

HEAP OF HEAPS
More than 4,000,000 cars, trucks, and buses are turned into scrap each year.

OVER THE RAINBOW GOES the little white satellite, in a tremendous drive by Newt Hamby, as Harold Zang, Dan Stroud and Ed Gambill look on approvingly(?). The foursome, seen at a recent tournament, attend most of the contests, and are sure-fire competition for any comers.

Smoky Greens See 77 Golfers Battle It Out

The nine-over-par score of 81, fired by George Wylie, was low score at the third Golf Tournament of the year held at Gatlinburg, Saturday, July 1. Low handicap score was a tie between Dan Stroud and Bill Ingle, who both came through with 73.

George Wylie

Frank Kennedy followed closely behind Wylie's 81 with an 83 to take second low-scratch honors. Other scratchers in the First Division were Tudor Boyd, 86; and Ed Gambill and Rod Murtaugh, 88. Handicap lows were also taken by Newt Hamby, 79; and Biv Bailey, 80. Gene O'Hara took the most pars in the First Division with 11, and J. R. Baker took seven.

Second Division

Al Sawyer wrapped up the Second Division with an 84, while low handicap scores saw another tie with F. K. Clabough and E. P. Brader firing a 76. Second scratcher was Bob Loy with 91. Other low scratch scores were racked by H. R. Butler, 94; and Clyde Bowles and Ed Roberts, both with 96. Handicap lows were scored by J. P. Smith and Dick Spurling with 81 each. Bill Ebert had eight pars on the course, while C. C. Morgan, George Cantrell and George Oliphant came up with six each.

Third Division

Low man, scratch-wise, in the Third Division, was E. N. Rogers with a fine 90; and low handicappers were Joe Comonlander and Jim George, tying with 76. Other low scratchmen were Emerson Henck and Roscoe Hicks with 93 each; and W. A. Rutherford with 96. Other low handicaps scorers were J. C. Thompson, 77; and Jack Thompson, 79. Bill Lanter took the most pars with six; and Jim Wiley, Bill Butterini, and Martin Taylor all scored four each.

Fourth Division

C. E. Spradlin took low scratch honors in the Fourth Division with a score of 99; Harold Zang took a handicap score of 81. Other low scratch scorers were W. B. Goss, 104; Ken Cook, Tom Douglas, and J. Roberts with 109. Low handicappers were C. R. Ferguson, Ed Del Grande and Bob McGinnis with 82. Phil Breman and J. R. Parker tied for the most pars of the course with two each and seven golfers took one par each in this division: O. E. Gilcrease, Don Stinnett, R. H. Gassoway, J. L. Noey, Paul Galle, R. B. Strickland.

Only 77 Y-12ers appeared for the tournament in the rolling Smokies. The weather was hot!

Playing in foursomes, the first ten teeing off, that is those from 7 a.m. until 8 a.m. all took off in electric golf carts, while the remaining greensmen took to the infantry. (It's rumored around the grounds that the grand champion of all sportsmen, Harold Ratjen, is going to start giving instructions on driving those carts.)

Some minds are like concrete: All mixed up and permanently set.

Lenoir League Is Deadlocked

Rutherford-Huston Are New Threats To Lead

The Rutherford-Huston pair in the Lenoir City League for Carbide Golfers leapt to tie for first place in June 19's week, by taking three and one-half points from the previous league leaders Hicks-Cook. All other matches were full whitewash scores of four with Rogers-Thompson over Reid - Gregory; Watson - Collins, themselves only one-half point from first place, over James-Stanton; Wray-Cabe over Hudson-Morrison; Beckett-Cox over Grubb - Clayton; Miracle - Kingsbury over Case-Frizzell; and Harris-Carter over Hensley-McGinnis.

W. C. Collins and W. A. Rutherford tied for low score with 41 each, while Collins and Bob Carter tied for low handicap with a 34.

Peckman Is Low In Ridge Loop

Hines-Emlet On Top By Eight Safe Points

It's the same old story in the Oak Ridge League for Y-12 Golfers: Hines-Emlet take contenders for six points — last week's foes were Hackett-Townsend. Other six-pointers were racked up by Stroud - Ebert, second placers, over Andrews - Turner; and Brown-Roberts over Crow-Breman. Five-point wins were taken by Holzknicht - Peckman over Mitchell-Tibbatts; and Boyd-Oliphant over Gregory-Kurtz. Three four-pointers were taken by Dehoney-Knowles over Crone-Douglass; Ratjen-Hoppe over Smith-Bartholomew; and Belvin-Hopkins over Mee-McLendon. Solit scores of three each were taken between Peterson-Presley and Underwood-Earley.

Paddy Peckman was low-scratcher with 37. Clyde Hopkins and Sewell Brown tied for low handicap with 31.

Morristown Is Site Of Next Y-12 Golf Tourney, July 22

The next golf tournament for Y-12ers is announced for Saturday, July 22, at the Morristown Country Club greens, Morristown, Tenn. Tee-off times will be assigned in the Recreation Office, Thursday morning at 7:30, July 13. Times will go, as usual, on a

Harriman Digs Into Last Half Of League Play

The Harriman League for Carbide Golfers, omitted from these pages last week, reported in with two matched sets, the first and second of the first half of league play.

In the first match, four-point wins were taken by Hamill-Thomas over Isham-Crass; Creswell-Winters over Pickel-O'Keefe; and Lynn-True over Warlick-Franzreb. A three-and one-half point win was marked by Willmarth-Tilley over Buttram-Brown; while the Evans-Henck duo took Cuneo-Grimes for three.

Low scratcher of the week was Bill Hamill, and league secretary Hobey Thomas had a low handicap score of 33.

The second match saw Creswell-Winters over Tilley-Willmarth for the full count. Three and one-half points were awarded to Kidd-O'Keefe over Buttram-Brown; Hamill-Thomas over Cuneo-Grimes; and Evans-Henck over Ellis-Warlick. A three-pointer was won by Isham-Crass over Lynn-True.

The second match gave low scratch score to Benny Crass with 35; his low in handicap of 32 was also low in that department.

Tom Perry Takes Whittles Low

The tenth week of play in the Whittles Golf League for Y-12ers, during the week ending June 25, saw four twosomes take full point wins over the opponents. League-leading Phillips - Leach took George-Newman for the full count. Other "skunk" wins were Troutman-Galle over Hendrix-Parker; Morgan-Campbell via forfeit; Kovach-Marrow over the Schappel - Schappel team. Two and one-half points were won by Norris-Ruckart over Ball-Emery; and a two pointer was taken by Sawyer-Perry over Spradlin-Clabough.

Tom Perry sliced into the low column of the week by taking scratch honors with 36, and handicap with 30. His twosome, Sawyer-Perry, also took team honors with 77, and 68.

first-come, first-served basis. No tee-offs will be assigned by telephone until all those present have received times.

The Morristown course, formerly a 73-par course is now on a 72-par basis. Greens fee at the nearby course is \$3. First tee-time to be assigned will be 7 a.m. for the July 22 tourney.

Bill Ragan, of ORGDP, reports he found a chromium wheel disc on the way to work Friday, June 30, on South Illinois Ave. He believes it might belong to a Y-12er. It apparently came from a Dodge. The owner may claim the disc at 105 Upsal Rd., Oak Ridge, telephone 483-8344.

Then there's the one about the editor (remaining nameless, of course) who had to run so many corrections from the last issue, that there was no room for new news in the current issue! Let's get outta here, fast.

People will believe anything if you whisper it to them.

ENGINEERING

It's all vacations from Mechanical Engineering as Frank Fuiss took off with his family to Missouri. . . . John Thomas stayed at home in Knoxville. . . .
